**December 2005**

### *The Winds of Change*

Each September the TCRA elects a new board and the in-coming president for the next year has the honor and privilege of writing the President's Message for the December newsletter. I would like to thank the 2005 board members for their hard work and dedication. Also, please join me in welcoming the new board members for 2006. The 2006 board and their responsibilities are listed on the officer's page of this newsletter and on the TCRA website.

The 2006 race calendar is enclosed and is also up to date on the website. Talk about a full race calendar with 22 races currently listed! Email me for any corrections or additions.

The first annual TCRA banquet and TCRA Hall of Fame induction ceremony was quite enjoyable. Bob Spain of the Texas Parks and Wildlife gave a nice presentation on the state of Texas waters and what the future holds for our rivers and streams. Best of all was the comraderie with fellow paddlers. A BIG thanks to the Binion family for pulling this together.

There are more changes in the air. You can now join the TCRA using Active.com. This edition of the newsletter includes a membership form that contains the link to Active as well as the membership list to see if your membership has lapsed. The TCRA hosts 4 races, 3 of which are championship races, is involved or hosts 2 annual river cleanups, and now holds an annual banquet. Membership privileges include a \$5 discount off your race entry fee at all TCRA races.

Please take a moment to give thanks for some of our fellow paddlers returning from their military duty overseas.

Seasons Greetings.  
Cindy Meurer  
2006 TCRA President

## TCRA Hall of Fame

The Texas Canoe Racing Association held its annual end of the year Awards banquet on November 5, 2005 at the Luling Municipal Club House in Luling, Texas. Following the fall San Marcos River clean up, TCRA members enjoyed a barbeque supper and gathered to honor two of Texas's all time greats as **Tom Goynes and Kathy Derrick** were the first honorees enshrined into the newly established Texas Canoe Racing Hall of Fame. The agenda also included a great presentation on Texas Rivers by Bob Spain and the Texas Parks and Wildlife Department, followed by the 2005 Points Champions and Paddler of the Year awards.

The evening was high-lighted by the Hall of Fame induction ceremony honoring Tom and Kathy, bringing to completion a long-term goal of the Texas Canoe Racing Association. Tom and Kathy are both accomplished paddlers and truly special individuals who have devoted their lives to our sport and its resources. They are many times past champions in our sport and Texas Water Safari legends. The Texas Canoe Racing Association was proud to honor them for their unselfish contributions, made over three decades, to the sport of canoe racing and its environment.

The Texas Canoe Racing Hall of Fame will find its home at T. G. Canoe Livery in Martindale, Texas.

## Annual Fall Cleanup

Over 20 folks showed up for the TCRA Annual Fall Clean Up! Actually, we didn't have a Fall clean up last year due to flooding but we still call it the annual. We had beautiful weather and not a lot of trash. Perhaps the flooding of the past two years cleaned that part of the river out? Are are people actually becoming more aware of how horrible it is to throw trash in a river? Tommy Yonley showed off his monkey climbing skills in order to recover a very long blue hose caught up high in the branches. This took quite a bit of time, he got it but in the end the hose had to be left behind as it was too cumbersome and difficult to get through that one unnamed log jam. He and Sandy still deserve some applause in recognition for their efforts all day long in recovering the biggest trash out there. We all enjoyed hot showers at Palmetto State Park after the event in order to get ready for the next event of the evening, the Annual Fall Banquet! It was a great into the evening for TCRA. Thanks to everyone that helped on the bank and in the river!

Hope to see you on March 4<sup>th</sup> for our Annual Spring clean up!

# What's Happening in Belize?

*By Ginsie Stauss, with help from Elvin Penner, President of the Belize Canoe Association*

## **What is the Ruta Maya?**

The Ruta Maya is the main race in Belize. This is a stage race of 4 days with a total of about 19-20 hours depending on the water level. This race, like most of the races in Belize happens on the Belize River. There is a race in February like a warm up for the Ruta Maya called the Boom to the City. This is a sprint race of just under 3 hours. For the last 6 years, every year except one, the winner of the Boom to the City race goes on to win the Ruta Maya.

## **Do all races and racers use the same kind of boat?**

Yes, all of the races in Belize use the same boat except one. We have one race that we only permit pleasure canoes. This is a race where we have a cyclist, runner and a paddler per team. One team member rides the bike for about 20 miles, then the other two members run a 3 mile leg each, then the 3 jump into the canoe and paddle about 30 minutes.

## **Are there many women racers?**

Not as many as we would want to have. The last few years more women have done the Ruta Maya race. But very few do the other races during the year.

## **Is it true that the top paddlers train 7 or even more hours per day?**

I don't think that 7 hours is what they train every day. Here in Belize they would run a few miles several days a week and paddle 3-4 times of an average of about 5 hours.

## **Do the racers have special diet?**

What we eat a lot in Belize is Rice and Beans. Our national dish in Belize. We make sure that all team members eat a full meal in the morning before the race and give them mainly fruits during the race. Like watermelon, papaya and cantaloupe. They do use quite an amount of vitamin supplements during training.

## **How many people come out to cheer you on during your races?**

That depends on the race. The Ruta Maya see more fans because it is the biggest race for the year. I think that the start of this race is like no other in the world. The river bank on both sides is crowded for about 1/2 mile. I think we have at least 2,000 people at the start.

## **That sounds incredible!**

We would like to invite all to come race in Belize. The Ruta Maya is a special race since it is a stage race. The legs are fairly short which gives the paddlers a chance to socialize and enjoy the scenery at the various stops. I have a few racing canoes for rent. All you need is to bring your own paddles and enough money to survive a few days. If anyone needs more information call me at 501-610-4439 or e-mail me at [elvin@koopsheet.bz](mailto:elvin@koopsheet.bz)

## **Belizian Update!!!**

One training method that Elvin did not mention was Daniel Cruz paddling upstream almost every day to visit his girlfriend. She is now his fiancé and the wedding is December 17th! Should anyone want to send a gift or a card, email me and I'll forward you the address!

Armin Lopez is reportedly using skills he learned here to build his own house!

Sorry that is all the gossip I've got, you will have to wait for the P. Hotline.....
